Contact Type (if applicable) Recognized Agent Professional Engineer
 Other If Other, specify _____

Certification Number

Section 3 – Site/Location Of Proposed Activities

Site

Site Name

Property

Civic/Street Address

Lot Number

County

Community

Property Identification # (PID)

Topographical Map Number

Additional Directions to Site (if applicable)

Section 4 – Activity Details

Complete Section 4. Provide all information requested in metric units indicated.

4A–Project Dates

Proposed Project Dates (yyyy/mm/dd)

Start Construction Date

Start Date of Operations

4B–Type of Furnace

If there are more than two furnaces, attach a complete list of furnaces with the information below.

Furnace 1

Manufacturer of furnace _____

Model _____ Serial number _____

Oil consumption: Maximum (L/hour) _____ Estimated maximum annually (L) _____

Furnace Certification including code or standard number (ULC, UL, CSA) _____

Furnace 2

Manufacturer of furnace _____

Model _____ Serial number _____

Oil consumption: Maximum (L/hour) _____ Estimated maximum annually (L) _____

Furnace Certification including code or standard number (ULC, UL, CSA) _____

4C–Storage Volume of Used Oil

Maximum Storage Capacity _____
kg m³ litres

Type of Storage: Tank Drum Other If Other, specify _____

4D–Source of Used Oil
