### ORDER IN COUNCIL 2021-295 Dated December 23, 2021

The Governor in Council, on the report and recommendation of the Minister of Municipal Affairs and Housing dated October 26, 2021, and pursuant to subsection 19(2) of Chapter 8 of the Acts of 1990, the *Emergency Management Act*, is pleased to approve the further renewal by the Minister of Municipal Affairs and Housing of the state of emergency declared by the Minister under subsection 12(1) of the *Emergency Management Act* on March 22, 2020, and as previously renewed, as a result of the COVID-19 pandemic, in the form set forth in Schedule “A” attached to and forming part of the Report and Recommendation, effective at noon on December 26, 2021, until noon on January 9,

2022.

### Schedule “A” Renewal of Provincial State of Emergency by Minister

(subsection 19(2) of the *Emergency Management Act*)

#### Emergency area:

On March 22, 2020 a State of Emergency was declared for all the Province of Nova Scotia.

#### Nature of the emergency:

The COVID-19 virus, which has caused a pandemic, is in the Province and that event requires prompt coordinated action or regulation for the protection of property and for the health and safety of persons in Nova Scotia.

I am satisfied that an emergency, as defined in clause 2(b) of Chapter 8 of the Acts of 1990, the *Emergency Management Act*, continues to exist or may exist in the Province.

While under a Provincial State of Emergency, I may require any or all of the actions specifically listed under clauses 14(a) to (m) of the *Emergency Management Act*, or anything else I determine is necessary for the protection of property and the health or safety of persons in the Province.

The Directions issued from March 22, 2020 until today shall continue in place under this renewal unless terminated or changed by me in writing. Further Directions may be issued and posted for the public throughout the State of Emergency.

This renewed Declaration, and the associated Directions, are in addition to and do not replace any Orders issued by the Medical Officer of Health under Section 32 of Chapter 4 of the Acts of 2004, the *Health Protection Act*.

This State of Emergency was previously renewed every 14 days for the year period from April 5, 2020 to-April 18, 2021, and then from April 18 to May 2, from May 2-16, from May 16-30, from May 30 to June 13, from June 13- 27, from June 27 to July 11, from July 11-25, from July 25 to August 8, from August 8-22, from August 22 to September 5, from September 5-19, from September 19 to October 3, from October 3-17, from October 17-31, from October 31 to November 14, from November 14-

28, from November 28 to December 12, and from December 12, 2021 to December 26, 2021.

With the approval of Governor in Council, I hereby further renew the declaration of a State of Emergency for all of the Province to continue on and after **12:00 pm (noon) on Sunday, December 26, 2021.**

If this Declaration is not renewed or terminated earlier, the State of Emergency remains in effect until 14 days after the date and time it is declared, which is **until 12:00 pm (noon) on Sunday, January 9, 2022.**

Dated October 26, 2021, at Halifax, Nova Scotia,

John Lohr  
Minister of Municipal Affairs and Housing

IN THE MATTER OF: The *Probate Act*, S.N.S. 2000, c. 31 - and - In the Estate of **Lukas Felix Denger**, Deceased

IN THE COURT OF PROBATE FOR NOVA SCOTIA  
Notice of Application (S. 64(3)(a))

The Applicant, Sabine Schmutz, the named personal representative of the Estate of Lukas Felix Denger has applied to the registrar of the Probate Court of Nova Scotia, at the Probate District of Bridgewater, 141 High Street, Bridgewater, Nova Scotia for Proof in Solemn Form of the Last Will and Testament of Lukas Felix Denger dated August 15, 2015 (the “Will”) and for an Order:

1. Declaring the Last Will and Testament of Lukas Felix Denger dated August 15, 2015 to be valid and fully effective.
2. Directing that a copy of the Will be utilized to prove the contents of the Will and be admitted to probate.
3. Directing that a copy of the Will be admitted to probate.

The Application is to be heard on January 27, 2022 at 10:00 a.m.

The affidavit of Sabine Schmutz in Form 46, a copy of which is attached to this Notice of Application, is filed in support of this application. Other materials may be filed and will be delivered to you or your lawyer before the hearing.

NOTICE: If you contest any part of the application you must complete and file a notice of objection in Form 47 with the court, and then serve the notice of objection on the applicant and the personal representative.

If you do not file and serve a notice of objection you will not be entitled to any notice of further proceedings and you may only make representations at the hearing with the permission of the registrar or judge.

If you do not come to the hearing in person or as represented by your lawyer, the court may give the applicant what they want in your absence. You will be bound by any order the court makes.

Therefore, if you contest any part of this application, you or your lawyer must file and serve a notice of objection in Form 47 and come to the hearing.

- TO:**
- 1.) All persons residing in or present in the Province of Nova Scotia;**
  - 2.) All not-for-profit and for-profit businesses and organizations operating or carrying on business in Nova Scotia;**
  - 3.) Such other persons or entities as may be identified by the Chief Medical Officer of Health or otherwise as set out in this Order.**

**ORDER made pursuant to Section 32 of the *Health Protection Act* (Nova Scotia)**

**WHEREAS** Section 32 of the *Health Protection Act* states:

**32 (1)** Where a medical officer is of the opinion, upon reasonable and probable grounds, that:

- (a) a communicable disease exists or may exist or that there is an immediate risk of an outbreak of a communicable disease;
- (b) the communicable disease presents a risk to the public health; and
- (c) the requirements specified in the order are necessary in order to decrease or eliminate the risk to the public health presented by the communicable disease,

the medical officer may by written order require a person to take or to refrain from taking any action that is specified in the order in respect of a communicable disease.

**WHEREAS** COVID-19 has been identified as a communicable disease that presents a risk to public health as defined under s.4(b) of the *Health Protection Act*, and;

**WHEREAS** I am the Chief Medical Officer of Health for the Province of Nova Scotia and am of the opinion, upon reasonable and probable grounds, that

- (a) a communicable disease (COVID-19) exists; and that there is an immediate

risk of an outbreak of the communicable disease;

(b) the communicable disease presents a risk to the public health; and

(c) the requirements specified in the order are necessary to decrease or eliminate the risk to the public health presented by the communicable disease, and;

**WHEREAS** as the Chief Medical Officer of Health, I have determined it necessary to issue this Order to the Class of Persons to decrease the risk to public health presented by COVID-19.

**Please be advised that:**

I, Dr. Robert Strang, Chief Medical Officer of Health, **order** the following:

**PART I  
DEFINITIONS**

1. In this Order,

“Adult Day Program” means a planned program of activities in a professional care setting designed for older adults or persons with disabilities who require supervision during the day, or those who are isolated and lonely. Adult day care centers enable seniors and persons with disabilities to socialize and enjoy planned activities in a group setting, while still receiving needed health services. At the same time, they offer family caregivers respite from caregiving duties while knowing that their loved one is in a safe place.

“enclosed” insofar as a public place means a public place that is surrounded or closed off on one or more sides.

“fully vaccinated” means receipt of 1 dose of a vaccine authorized as a 1 dose vaccine series such as Janssen plus 14 days, or 2 doses of a vaccine authorized as a 2 dose vaccine series such as Pfizer, Moderna or AstraZeneca plus 14 days (mixed series acceptable), a complete series of any other World Health Organization authorized series of COVID-19 vaccine such as Covaxin, Sinopharm or Sinovac plus 14 days, or a single dose of a WHO authorized vaccine and a single dose of a Health Canada authorized vaccine plus 14 days.

“fraudulent proof of vaccination” means the falsification of proof of vaccination documentation that does not comply with the requirements set out in the COVID-19 Protocol for Proof of Full Vaccination for Events and Activities, located at: <https://novascotia.ca/coronavirus/docs/COVID-19-Protocol-for-proof-full-vaccination-events-activities-en.pdf>.

“illegal in-person gathering” means an in-person gathering that does not comply with the gathering restrictions of this Order, including the attendance limits applicable to indoor and outdoor in-person gatherings, proof of full vaccination for non-essential events and activities as set out in the COVID-19 Protocol for Proof of Full Vaccination for Events and Activities, located at: <https://novascotia.ca/coronavirus/docs/COVID-19-Protocol-for-proof-full-vaccination-events-activities-en.pdf>, and masking requirements.

“informal in-person gathering” means a gathering of persons except where hosted by a business or organization.

“mask” means a commercial medical or non-medical mask or a home-made mask made as per the PHAC instructions located at: <https://www.canada.ca/en/public-health/services/diseases/2019-novel-coronavirus-infection/prevention-risks/sew-no-sew-instructions-non-medical-masks-face-coverings.html>, that covers the nose and mouth.

“medical exception” means an exception granted by the Chief Medical Officer of Health or his delegate from the requirement to self-quarantine on entry into Nova Scotia or from the requirement to provide proof of vaccination to participate in events or activities under the COVID-19 Protocol for Proof of Full Vaccination for Events and Activities.

“not fully vaccinated” means no receipt of any vaccine dose or receipt of 1 dose of a vaccine authorized as a 2 dose vaccine series.

“non-essential event or activity” means an event or activity hosted by a person, business or organization that does not require participation in or access to necessities of life such as those set out in the COVID-19 Protocol for Proof of Full Vaccination for Events and Activities, located at: <https://novascotia.ca/coronavirus/docs/COVID-19-Protocol-for-proof-full-vaccination-events-activities-en.pdf>.

“organization” means:

(a) a public body, body corporate, society, company, firm, partnership, trade union or municipality, or

(b) an association of persons that:

(i) is created for a common purpose,

(ii) has an operational structure, and

(iii) holds itself out to the public as an association of persons.

“proof of vaccination” means documentation issued by the Government of Canada, a Provincial or Territorial Government or government of another country other than Canada, or their delegate that sets out a person’s vaccination status of being fully vaccinated and includes:

- (a) the person's name;
- (b) the brand name of vaccine received;
- (c) indication that the person received all required doses for the vaccine;  
and
- (d) the date on which the person received their final vaccine dose.

“public place” means the part of the following places accessible to the public, insofar as it is enclosed:

- (a) a retail business, a shopping centre, or a building or room of a business where personal care services are provided;
- (b) a food establishment or a liquor licensed establishment, including the kitchen and preparatory space of a food establishment or a liquor licensed establishment;
- (c) a place of worship or faith gathering;
- (d) a place where activities or services of a cultural or entertainment nature are offered;
- (e) a place where sports are played, fitness, recreational or leisure activities are carried on;
- (f) a rental hall or other place used to hold events, including conventions and conferences, or to hold receptions;
- (g) a place where municipal or provincial government services are available to the public;
- (h) a common area, including an elevator, of a tourist accommodation establishment;
- (i) a lobby, reception area or elevator in an office building;
- (j) a common area or public space on a university or college campus;
- (k) a train or bus station, a ferry terminal, or an airport;
- (m) common areas of a multi-residential building;
- (n) all common areas of municipal and provincial government, and private indoor workplaces;

(o) municipal and provincial government, and private indoor workplaces where:

- (i) there are interactions with the public;
- (ii) there are areas with poor ventilation; or
- (iii) physical distancing cannot be achieved.

“retail business” means a business operating on an ongoing basis at a fixed location primarily selling goods or products for use or consumption by individual purchasers.

“rotational worker” means a person who lives in Nova Scotia and travels to work in another Canadian province or territory outside Atlantic Canada on a regular schedule.

“self-isolate” means the requirement of any person who has COVID-19 to remain separate from others in such places and under such conditions to prevent or limit the direct or indirect transmission of COVID-19.

“self-quarantine” means the requirement of any person who has been exposed or may have been exposed to COVID-19 during its period of communicability to restrict that person’s activities in order to prevent disease transmission during the incubation period for this disease.

“serious adverse event” means an event that is life-threatening, requires in-patient hospitalization or prolongs an existing hospitalization, results in persistent or significant disability/incapacity, or in a congenital anomaly/ birth defect.

“vaccine” means a vaccine against COVID-19 that has been approved by either the Public Health Agency of Canada or the World Health Organization.

“Valid Medical Contraindication for COVID-19 Vaccination letter” means a letter completed and signed by a person’s physician or nurse practitioner attesting that the person (their patient) has a valid medical contraindication from receiving the vaccine, and the effective time period for the medical contraindication.

“Valid Medical Contraindication” means one of the following medical reasons that a person cannot receive a vaccine:

- (a) a history of severe allergic reaction (e.g. anaphylaxis) after previous administration of a COVID-19 vaccine using a similar platform (mRNA or viral vector);
- (b) an allergy to any component of the specific COVID-19 vaccine or its container (polyethylene glycol for the Pfizer-BioNTech and the Moderna vaccines);
- (c) a history of major venous and/or arterial thrombosis with thrombocytopenia following vaccination with the AstraZeneca COVID-19 vaccine;

- (d) a history of capillary leak syndrome following vaccination with the AstraZeneca vaccine;
- (e) a history of myocarditis and/or pericarditis after a first dose of an mRNA COVID-19 vaccine (Pfizer-BioNTechdec or Moderna); or
- (f) experienced a serious adverse event after receiving a first dose of COVID-19 Vaccine.

“vehicles providing transportation to the public” means:

- (a) any municipally operated public transit, including municipally operated buses and ferries;
- (b) any public passenger vehicle licensed under the *Motor Carrier Act*, including community transit vehicles, commercial vehicles (shuttle vans), and vehicles providing charters and/or tours;
- (c) any school buses licensed under the *Motor Carrier Act* and any vehicles of any capacity operated by private schools recognized by the Minister of Education and Early Childhood Development;
- (d) commuter vehicles and courtesy vehicles as defined under the *Motor Carrier Act*, vans, mini-buses, or buses of any passenger capacity providing services to the public;
- (e) any vehicles serving residents and staff of facilities listed in section 20.1; and
- (f) taxicabs regulated by municipalities under the authority of the *Motor Vehicle Act*.

## PART II ENTRY, ISOLATION AND QUARANTINE REQUIREMENTS

2. Effective 6:00a.m. December 22, 2021, all persons are prohibited from entering Nova Scotia, except as stated herein or set out elsewhere in this Order:

- (a) persons travelling to Nova Scotia from another Canadian province or territory; and
- (b) persons travelling to Nova Scotia from outside Canada who are eligible to enter Canada in accordance with the Federal Orders in Council 2021-0904, 2021-0903 and 2021-0902, as amended.

2.1 Where any person travels into Nova Scotia in contravention of this Order, a peace officer is hereby authorized and directed to return that person to an interprovincial border and require the person to leave the Province immediately or at such a time as may be

directed, and in doing so, may exercise authority under section 46 of the *Health Protection Act*.

2.2 Effective 8:00a.m. November 17, 2021, all persons seeking entry into Nova Scotia must:

(a) apply through the Nova Scotia Safe Check-in form and complete daily digital check-ins, located at: <https://travel-declaration.novascotia.ca/en>, except:

(i) persons who reside in Nova Scotia, New Brunswick, Newfoundland and Labrador, or Prince Edward Island (the “Atlantic Provinces”) and are required to travel between Nova Scotia and one of the Atlantic Provinces on a regular ongoing basis to work, attend a school or post-secondary institution, or access essential veterinary services, and adheres to the COVID-19 Protocol for Atlantic Travel Protocol located at: <https://novascotia.ca/coronavirus/docs/COVID-19-Protocol-for-Atlantic-Canada-Travel.pdf>;

(ii) persons who reside in the Atlantic Provinces and are required to travel between Nova Scotia and one of the Atlantic Provinces on an occasional basis for work, school, or to complete other tasks that cannot be accomplished virtually (“quick trips”), and adhere to the Atlantic Travel Protocol, located at: <https://novascotia.ca/coronavirus/docs/COVID-19-Protocol-for-Atlantic-Canada-Travel.pdf>;

(iii) persons who reside in the Atlantic Provinces and are traveling for child custody drop offs, pick ups or frequent routine visits and adhere to the COVID-19 Protocol for Self-isolation Related to Child Custody located at: <https://novascotia.ca/coronavirus/docs/COVID-19-Protocol-for-child-custody-en.pdf>;

(iv) professional truck drivers;

(v) persons who have received compassionate exceptions;

(vi) essential healthcare workers who travel to and from Nova Scotia and another province or territory to carry out their work duties on an ongoing regular basis or on a locum basis;

(vii) persons travelling to Nova Scotia from outside Canada in accordance with section 2(c) who submitted their travel information to the Federal Government via the ArriveCAN application; and

(viii) persons who have been granted a medical exception by the Chief Medical Officer of Health or his delegate,

(b) disclose to the Chief Medical Officer of Health or his delegate information related to their COVID-19 vaccination status, including:

- (i) whether they received a COVID-19 vaccine;
- (ii) the brand name of the vaccine that was administered;
- (iii) the dose received; or
- (iv) information pertaining to their application for a medical exception, including their Valid Medical Contraindication for COVID-19 Vaccination letter, and

(c) if they are fully vaccinated, provide the Chief Medical Officer of Health or his delegate proof of COVID-19 vaccination issued by the government or non-governmental entity that administered the COVID-19 vaccine, which must contain the following:

- (i) the name of the person who received the vaccine;
- (ii) the name of the government or the name and civic address of the non-governmental entity that administered the vaccine;
- (iii) the brand name or any other information that identifies the vaccine that was administered; and
- (iv) the dates on which the vaccine was administered.

2.3 For greater clarity, persons who:

(a) become age 12 between September 1, 2021 and November 1, 2021 have until March 1, 2022 to become fully vaccinated and until fully vaccinated, must be included on the Nova Scotia Safe Check-in form of the least vaccinated person who is age 12 or older in the group of persons that they are travelling with, or if travelling alone, then the parent or guardian must complete the form for the child prior to travel;

(b) become age 12 after November 1, 2021 have until 4 months from their birthday to become fully vaccinated and until fully vaccinated, must be included on the Nova Scotia Safe Check-in form of the least vaccinated person who is age 12 or older in the group of persons that they are travelling with, or if travelling alone, then the parent or guardian must complete the form for the child prior to travel;

(c) are age 12 and older must complete the Nova Scotia Safe Check-in form and complete daily digital check-ins set out in sections 2.2; and

(d) are age 11 or younger (“the child”) must be included on the Nova Scotia Safe Check-in form of the least vaccinated person who is 12 years or older that they are travelling with, and if travelling alone, then the parent or guardian must complete the form for the child prior to travel.

3.1 Effective 8:00a.m. November 1, 2021 the following requirements apply to all persons residing in or present Nova Scotia:

(a) persons have travelled outside Nova Scotia to another Canadian province or territory and who are not fully vaccinated:

(i) must self-quarantine on the day of entry into Nova Scotia, and continuing thereafter for 14 days; and

(ii) not cease self-quarantine unless they have completed at least 7 days of self-quarantine and they have received a negative COVID-19 test result on day 6 or 7, at which time they may exit self-quarantine,

(b) persons who are identified as a close contact of a person who has been diagnosed with COVID-19 and who are not fully vaccinated, including persons identified as a close contact who have received a World Health Organization approved vaccine other than Pfizer, Moderna or AstraZeneca but have not received an additional dose of Pfizer or Moderna:

(i) must self-quarantine on the first day of close contact, and continuing thereafter for 14 days; and

(ii) must not cease self-quarantine unless they have completed at least 7 days of self-quarantine and they have received a negative COVID-19 test result on day 6 or 7, at which time they may exit self-quarantine but from day 8 to day 14 must exclude themselves from congregated high risk settings, specifically LTC, shelters, acute care facilities (except to receive essential medical care), and correctional facilities, and further must avoid contact with immunocompromised persons,

(c) persons who are identified as a person diagnosed with COVID-19, or have been tested for COVID-19 due to the presence of symptoms or as directed by public health and are awaiting their test results:

(i) must self-quarantine or self-isolate on the first day of symptoms, testing, diagnosis, and continuing thereafter for 10 consecutive days or as directed by a Medical Officer of Health.

3.2 Those persons required to self-quarantine or self-isolate in accordance with sections 3.1(a), (b) or (c):

- (a) must, during their period of self-quarantine or self-isolation, conduct themselves in such a manner as not to in any way expose any other person to infection or potential infection from COVID-19; and
- (b) must remain in their residence or residence grounds and otherwise remove themselves from the presence of others in public while they may be infectious during the quarantine or isolation period, so that all precautions necessary to protect others are in place. Specifically, such persons must not enter any buildings, public transportation, or other enclosed spaces (other than their residence) where other people are present; and
- (c) must follow all infection control instructions given to them on the Government of Nova Scotia's website, at: <https://novascotia.ca/coronavirus/>, or given to them by Telehealth 811 staff, public health staff or any other staff of a healthcare facility to which they may seek or receive treatment; and
- (d) after the mandatory period of self-quarantine or self-isolation period has lapsed, they may cease self-isolation or self-quarantine if they do not exhibit symptoms of COVID-19.

### 3.3 Notwithstanding:

- (a) section 3.1 (c), persons who receive a negative COVID-19 test result after being referred for testing by the online assessment tool due to the presence of COVID-like symptoms may cease self-quarantine on the date of receipt of the negative test result;
- (b) sections 3.1 (a), (b) and (c), persons who are required to self-isolate or self-quarantine may leave their residence to undergo COVID-19 testing as directed by a Medical Officer of Health;
- (c) sections 3.1 (a) and (b), persons who are required to self-isolate or self-quarantine may leave their residence for 1 outing per day for outdoor exercise within walking/running distance of their home or isolation site for a maximum of 1 hour,
- (d) section 3.1(a), persons travelling to or returning to Nova Scotia from a Canadian province or territory must adhere to the following:
  - (i) persons who are fully vaccinated before arriving in Nova Scotia are not required to self-quarantine on arrival in Nova Scotia;
  - (ii) persons who are not fully vaccinated before arriving in Nova Scotia must self-quarantine for up to 14 days on arrival in Nova Scotia and must not cease self-quarantine until they have completed at least 7 days of self-

quarantine and they have received a negative result from COVID-19 test done on day 6 or 7, at which time they may exit self-quarantine; and

(iii) persons who have had COVID-19, have recovered from it in the last 12 weeks before entering Nova Scotia, have a letter from public health in a Canadian province or territory confirming their date of recovery and are not fully vaccinated must self-quarantine for 7 days on arrival into Nova Scotia but are not required to be tested,

(e) persons travelling to Nova Scotia from outside Canada who are eligible to enter Canada in accordance with the Federal Orders in Council 2021-0904, 2021-0903 and 2021-0902, as amended:

(i) who are fully vaccinated (the “fully vaccinated person” as set out in the Federal Orders in Council 2021-0904, 2021-0903 and 2021-0902) are not required to self-quarantine on arrival in Nova Scotia; and

(ii) who are not fully vaccinated are required to self-quarantine on arrival in Nova Scotia in accordance with Federal Quarantine requirements.

3.4 Effective 8:00a.m. November 17, 2021, persons travelling to or returning to Nova Scotia from a Canadian province or territory who:

(a) become age 12 between September 1, 2021 and November 1, 2021 have until March 1, 2022 to become fully vaccinated and until fully vaccinated, must adhere to the self-quarantine or self-isolation requirements of the least vaccinated person who is age 12 or older in the group of persons that they are travelling with, or if travelling alone, must adhere to the self-quarantine or self-isolation requirements based on their own vaccination status;

(b) become age 12 after November 1, 2021 have until 4 months from their birthday to become fully vaccinated and until fully vaccinated, must adhere to the self-quarantine or self-isolation requirements of the least vaccinated person who is age 12 or older in the group of persons that they are travelling with, or if travelling alone, must adhere to the self-quarantine or self-isolation requirements based on their own vaccination status;

(c) are age 12 and older must adhere to the self-quarantine or self-isolation requirements set out in sections 3.1 to 3.3 based on their own vaccination status; and

(d) are age 11 or younger must adhere to the self-quarantine or self-isolation requirements of the least vaccinated person who is age 12 or older in the group of persons that they are travelling with, or if travelling alone, adhere to the self-quarantine or self-isolation requirements based on their own vaccination status.

3.5 Notwithstanding Sections 2.2 and 3.1 to 3.4, persons granted a medical exception by the Chief Medical Officer of Health or his delegate to enter Nova Scotia:

- (a) are not required to complete the Nova Scotia Safe Check-in form;
- (b) are not required to provide proof of COVID-19 vaccination, but
- (c) must provide a Valid Medical Contraindication for COVID-19 Vaccination letter to the Chief Medical Officer of Health or his delegate.

4. Notwithstanding sections 2, 3.1 and 3.3, persons who are well and showing no symptoms of COVID-19 may enter Nova Scotia for the purposes of facilitating child sharing between parents under an order or agreement providing for joint custody, and in such instances, both the persons facilitating custody and children showing no symptoms of COVID-19 are exempt from the requirement to self-quarantine.

5. Further to section 4, parents and children entering or leaving Nova Scotia for the purposes of facilitating child sharing arrangements must adhere to the self-quarantine requirements established by the Chief Medical Officer of Health, located at: <https://novascotia.ca/coronavirus/docs/COVID-19-Protocol-for-child-custody.pdf>.

6. Notwithstanding sections 2, 3.1 and 3.3, individuals who are well and showing no symptoms of COVID-19 and are engaged in a legal proceeding in Nova Scotia, whether the accused, victim, witness, party or lawyer in such proceeding, may enter Nova Scotia for participation in the legal proceeding and are exempt from self-quarantine if the person adheres to the COVID-19 Protocol for Exempt Travelers established by the Chief Medical Officer of Health, located at: <https://novascotia.ca/coronavirus/docs/COVID-19-Protocol-for-exempt-travellers-en.pdf>.

7. An employer or contractor of any Temporary Foreign Worker entitled to enter Nova Scotia pursuant to the Federal Orders in Council 2021-0903 and 2021-0902, as amended, must first, before the Temporary Foreign Worker enters Nova Scotia, satisfy me, as Chief Medical Officer of Health, that the employer or contractor has made adequate provision for compliance with the Federal Quarantine requirements applicable to the Temporary Foreign Workers in the Agriculture and Seafood Sector.

7.1 In addition, the employer or contractor and the Temporary Foreign Worker must, for the duration of the entire work period in Nova Scotia:

- (a) adhere to all applicable terms and conditions of this Order; and
- (b) adhere to the COVID-19 Protocol for Temporary Foreign Workers employed in Agriculture and Seafood Sectors established by the Chief Medical Officer of Health, located at: <https://novascotia.ca/coronavirus/docs/COVID-19-Protocolfortemporaryforeignworkers-agriculture-and-seafood-sectors-en.pdf>.

(c) comply with any direction issued by me, as Chief Medical Officer of Health, or a Medical Officer of Health with respect to the Temporary Foreign Worker and their employment in Nova Scotia.

7.2 For greater certainty, a Temporary Foreign Worker in the Agriculture and Seafood Sector, on arrival in Nova Scotia, is required to quarantine in accordance with the Federal Quarantine requirements unless they are assessed as exempt from quarantine in accordance with Federal Order in Council 2021-0904.

8. Notwithstanding sections 2, 3.1 and 3.3, persons who are required to travel to Nova Scotia or outside Nova Scotia for essential health services, with accompanying support persons as permitted by health authority policy, are exempt from the requirement to self-quarantine but must adhere to the COVID-19 Protocol for Exempt Travelers established by the Chief Medical Officer of Health, located at: <https://novascotia.ca/coronavirus/docs/COVID-19-Protocol-for-exempt-travellers-en.pdf>.

9. Notwithstanding sections 2, 3.1 and 3.3, rotational workers must adhere to the self-quarantine and COVID-19 testing requirements established by the Chief Medical Officer of Health, located at: <https://novascotia.ca/coronavirus/docs/COVID-19-Directive-on-Exceptions-for-Rotational-Workers.pdf>.

10. Notwithstanding sections 2, 3.1 and 3.3, specialized workers who are:

(a) needed for urgent work on critical infrastructure that cannot be done by individuals from within the Province and such work is crucial to the functioning of the Province; or

(b) needed for urgent work that cannot be done by individuals from within the Province and are necessary to preserve the viability of one or more Nova Scotia businesses,

are permitted to enter Nova Scotia from any Canadian province or territory outside Atlantic Canada. A list of critical infrastructure included in this definition is available at: <https://www.publicsafety.gc.ca/cnt/ntnl-scrtr/crtcl-nfrstrctr/esf-sfe-en.aspx>.

10.1 Specialized workers permitted to enter Nova Scotia in accordance with section 10 must adhere to self-quarantine and COVID-19 testing requirements established by the Chief Medical Officer of Health, located at: <https://novascotia.ca/coronavirus/docs/COVID-19-Directive-on-Exceptions-for-Specialized-Workers.pdf>.

11. Notwithstanding sections 2, 3.1 and 3.3, fish harvesters required to enter Nova Scotia from any Canadian province or territory to perform the commercial or licensed activity of catching fish and other seafood for market or other approved activities, excluding recreational fishing, must adhere to self-quarantine requirements established by the Chief Medical Officer of Health, located at: <https://novascotia.ca/coronavirus/docs/COVID-19-Protocol-for-fish-harvesters-en.pdf>.

12. Notwithstanding sections 3.1 and 3.3, workers who are essential to the movement of people and goods, and who must enter Nova Scotia as part of their duty requirements, are exempt from the requirement to self-quarantine, particularly:

- (a) healthy workers in the trade and transportation sector who are employed in the movement of goods and people across the Nova Scotia border by land, air, or water, including truck drivers, crew, maintenance and operational workers on any plane, train or ship;
- (b) Canadian Military and Defence Team personnel, Coast Guard, RCMP, Canadian Border Services Agency, and Canadian Security Intelligence Service;
- (c) first responders, including police, fire, EHS paramedic workers;
- (d) essential healthcare workers who travel to and from Nova Scotia and another province or territory to carry out their work duties on an ongoing regular basis or on a locum basis; and
- (e) airline crew employed in the movement of people and goods and who are required to travel to Nova Scotia or from Nova Scotia to carry out their work duties,

but must adhere to the COVID-19 Protocol for Exempt Travelers established by the Chief Medical Officer of Health, located at:

<https://novascotia.ca/coronavirus/docs/COVID-19-Protocol-for-exempt-travellers-en.pdf>.

12.1 Persons exempt under section 12 must follow all public health recommendations, closely self-monitor and must self-isolate or self-quarantine should they exhibit any COVID-19 symptoms as set out in the online assessment.

(d) no spectators are permitted to attend the organized sport practice and training (recreational, amateur, and professional), nor the organized arts and culture rehearsals (amateur and professional).

13.7 Notwithstanding sections 13.3, and 13.6, one artist or musician (professional or amateur) may perform in-person at a food establishment, liquor licensed establishments, liquor boutiques, distilleries, breweries, and wineries while adhering to the following:

(a) wear a mask as defined in section 14 except while singing or playing a wind instrument; and

(b) maintain physical distancing of at least 2 metres (6 feet) from patrons while singing or playing a wind instrument.

13.8 Notwithstanding sections 13.3 and 13.6, effective 8:00a.m. December 1, 2021 until 11:59p.m. January 15, 2022, no person, business, or organization may convey or arrange to have conveyed outside Nova Scotia a person aged 11 years or under (a “young person”) for the purpose of:

(a) the young person’s participation in an organized sports game, competition, or tournament (recreational, amateur, or professional); or

(b) the young person’s performance in an organized arts or culture in-person performance.

13.9 Notwithstanding sections 13.3 and 13.6, effective 8:00a.m. December 1, 2021 until 11:59p.m. January 15, 2022, no person, business or organization may convey a young person into Nova Scotia for the purpose of:

(a) the young person’s participation in an organized sports game, competition, or tournament (recreational, amateur, or professional); or

(b) the young person's performance in an organized arts or culture in-person performance.

13.10 Notwithstanding sections 13.3 and 13.6, effective 8:00a.m. December 1, 2021 until 11:59p.m. January 15, 2022, no person, business or organization may host a young person from outside Nova Scotia:

(a) as a participant in an organized sports game, competition, or tournament (recreational, amateur, and professional); or

(b) as a performer in an organized arts or culture in-person performance.

13.11 For greater clarity:

(a) provincial and municipal governments;

(b) private businesses and organizations;

(c) first responder organizations;

(d) organized clubs; and

(e) mental health and addictions support group meetings,

may host meetings and training:

(a) up to 25% of legal capacity of the establishment in which the meeting or training is held, to an overall maximum of 50 persons; and

(b) all persons in attendance must adhere to the physical distancing requirements set out in section 13.1 and the masking requirements set out in section 14 unless exempt under section 14.3.

13.12 Recognized businesses and organizations:

(a) may host day camps, indoors or outdoors, while adhering to the following:

(i) up to a maximum of 15 persons per group (including staff and volunteers) without distancing, or in multiple groups of 15 persons with physical distancing between groups;

(ii) masking requirements set out in section 14, unless except in accordance with section 14.3; and

(iii) must follow the COVID-19 Return to Day Camp Guidelines established by the Chief Medical Officer of health, located at:

<https://novascotia.ca/coronavirus/docs/COVID-19-Return-to-Day-Camp-Guidelines.pdf>.

13.13 Notwithstanding section 13.11, the physical distancing requirements set out in section 13.1 and the person limit rule set out in section 13.2 does not apply to the following municipal, provincial and federal entities and their contractors when carrying out their work duties:

- (a) First responders, including police and fire services;
- (b) Compliance and Building Officials;
- (c) Officials engaged in Housing and Homelessness initiatives;
- (d) Parks and Recreation staff;
- (e) Road Maintenance and Repair;
- (f) Government building construction and/or repair;
- (g) Public Works; and
- (h) Enforcement or compliance officers authorized by their statutory appointments or delegated authority to inspect, investigate and/or enforce provincial legislation while carrying out their powers pursuant to the relevant statutory authority.

13.14 Notwithstanding section 13.11 the physical distancing requirements set out in section 13.1 and the person limit rule set out in section 13.2 does not apply to the following organizations, activities, persons, or places:

- (a) hospitals as defined in the *Hospitals Act* and a health authority as defined in the *Health Authorities Act*;
- (b) profit, not-for-profit or government operated Department of Community Services funded organizations or representatives that are covered under the *Homes for Special Care Act* and the *Children and Family Services Act* including places of safety for children and youth, and customized placements for persons with disabilities;
- (c) profit or not-for-profit Department of Seniors and Long term Care funded long-term care facilities licensed under the *Homes for Special Care Act* or home care agencies funded under the *Homemaker Services Act*;
- (d) persons providing care under the self-managed care program, supportive care program, caregiver benefit program funded by the province of Nova Scotia;

(e) persons providing support under the Independent Living Support, Supported Apartment and Supervised Apartment Programs funded by the Department of Community Services;

(f) homeless shelters receiving operational grants from the Department of Municipal Affairs and Housing, and those operated by religious and other voluntary organizations;

(g) unlicensed child-care facilities;

(h) a place designated or established under the authority of the *Correctional Services Act* or the *Youth Criminal Justice Act (Canada)* for the supervision or custody of offenders and includes community-based correctional services;

(i) any administrative tribunal, arbitration proceeding or court operating essential services in the Province under the authority of any provincial or federal enactment, including but not limited to, a justice centre or courthouse under the authority of the *Judicature Act* or a provincial court under the authority of the *Provincial Court Act* or the *Family Court Act*;

(ia) notwithstanding clause (i), the Labour Board must still comply with section 13.1 when conducting a vote under the *Trade Union Act*.

(j) Emergency Medical Care Incorporated;

(k) persons providing, servicing or repairing medical equipment, such as wheelchairs, red cross beds/equipment, home oxygen equipment;

(l) private not-for-profit community transportation providers;

(m) food production plants; and

(n) fishing vessels.

14. All persons must wear a mask that covers their nose and mouth:

(a) while present in a public place; and

(b) while travelling on vehicles providing transportation to the public.

14.1 Persons, businesses and organizations must ensure that each person who enters the person's, business's or organization's premises adheres to the masking requirements set out in section 14 while the person is on the person's, business's or organization's premises, unless the person is exempt in accordance with section 14.3.

14.2 For greater certainty,

(a) a person must wear a mask while in a food establishment or liquor licensed establishment in accordance with section 14 except when consuming food or beverages, and must be seated while consuming food or beverages in the food establishment or liquor licensed establishment; and

(b) the owner or operator of a food establishment or liquor licensed establishment must ensure that patrons wear a mask in accordance with section 14 except when consuming food or alcohol, and must further ensure that patrons are seated when consuming food or beverages in the food establishment or liquor licensed establishment.

14.3 Notwithstanding sections 14(a), 14.1 and 14.2, a person is exempt from the requirement to wear a mask in a public place if the person:

(a) is less than 2 years of age or age 2 to 4 years and their caregiver cannot persuade them to wear a mask;

(b) for whom the wearing of a mask is not possible because of the person's medical condition;

(c) is reasonably accommodated by not wearing a mask in accordance with the *Nova Scotia Human Rights Act*;

(d) is in the public place receiving care or being provided a service or while participating in a physical or other activity requiring the mask be removed, in which case the person may remove the mask for the duration of the care, service or activity;

(e) removes the mask momentarily for identification or ceremonial purposes;

(g) is an officiant or performer in the course of performing activities requiring vocalization such as talking, singing or playing a wind instrument at the event or activity; or

(h) is 12 years of age or less, attending a day camp, overnight camp, or childcare centre.

14.4 Notwithstanding section 14(b),

(a) the following persons are exempt from the requirement to wear a mask while travelling on vehicles providing transportation to the public:

(i) a person is less than 2 years of age or age 2 to 4 years and their caregiver cannot persuade them to wear a mask;

(ii) a person for whom the wearing of a mask is not possible because of the person's medical condition;

(iii) a person who is reasonably accommodated by not wearing a mask in accordance with the *Nova Scotia Human Rights Act*; and

(b) a person may remove the mask momentarily for identification purposes when boarding any public transit.

14.5 For greater certainty, the requirement to wear a mask, as set in sections 14(a) and (b), is the minimum standard that persons, businesses and organizations must adhere to, and where the business's or organization's plan approved in accordance with section 17.3 of this Order imposes a greater standard, then that standard applies.

14.6 Directors, caregivers, staff and visitors of childcare facilities and family childcare homes regulated under the *Early Learning and Child Care Act* must wear a mask unless subject to one of the exemptions as set out in section 14.3.

**PART IV

  - (i) up to 25% of legal capacity of the indoor establishment in which the event or activity is held, to an overall maximum of 10 persons, may attend;

(ii) one soloist may sing who must be 2 metres (6 feet) from residents/attendees while performing but no choirs or congregational singing is permitted; and

(iii) residents/attendees must practice physical distancing of 2 metres (6 feet), except persons gathered in accordance with section 13.2 and practice masking requirements set out in section 14 unless exempt under section 14.3.

16.3 All residents in homes licensed by the Minister of Community Services under the *Homes for Special Care Act* are open to 2 fully vaccinated visitors in accordance with the terms and conditions set out in the “Covid 19 Management in DSP Licensed Homes- Guidelines” as amended from time to time.

16.3.1 Except for foster homes, all child caring facilities licensed, approved or operated by the Minister of Community Services under the *Children and Family Services Act* are open to 2 fully vaccinated visitors in accordance with the terms and conditions set out in the “Coronavirus (COVID) Child Welfare Practice Guidelines” as amended from time to time.

16.3.2 Visitors to residents of homes licensed by the Minister of Community Services under the *Homes for Special Care Act* must practice physical distancing set out in section 13.1, except for initial greeting with the resident, and must wear a mask and be fully vaccinated in accordance with the COVID-19 Mandatory Vaccination Protocol for High-Risk Settings (the “Protocol”), located at: <https://novascotia.ca/coronavirus/docs/COVID-19-Protocol-for-mandatory-vaccination-high-risk-settings-en.pdf>.

16.3.3 Except for foster homes, visitors of all child caring facilities licensed, approved or operated by the Minister of Community Services under the *Children and Family Services Act* must practice physical distancing set out in section 13.1, except for initial greeting with the resident, and must wear a mask and be fully vaccinated in accordance with the COVID-19 Mandatory Vaccination Protocol for High-Risk Settings (the “Protocol”), located at: <https://novascotia.ca/coronavirus/docs/COVID-19-Protocol-for-mandatory-vaccination-high-risk-settings-en.pdf>.

16.3.4 Except for medical appointments, all residents in homes licensed by the Minister of Community Services under the *Homes for Special Care Act* are only permitted to have community access if they are fully vaccinated and as long as they comply with all general public health measures required under this Order.

16.3.5 All Adult Day Programs are open.

16.4 For greater clarity, nothing in this Order prevents the:

(a) discharge of a COVID-19 patient from a hospital to a long-term care or residential care facility;

(b) transfer of a COVID-19 patient from community to a long-term care or residential care facility; or

(c) return of a COVID-19 patient who has left a long-term care or residential care facility for healthcare services back to that facility after receiving treatment at a hospital.

16.5 Employers and operators in high risk settings, as well as employees, outside service providers, volunteers, visitors and designated care givers therein must adhere to the COVID-19 Mandatory Vaccination Protocol for High-Risk Settings (the "Protocol"), located at: <https://novascotia.ca/coronavirus/docs/COVID-19-Protocol-for-mandatory-vaccination-high-risk-settings-en.pdf>, and employers and operators must:

(a) verify proof of full vaccination from each employee, outside service provider, volunteer, visitor and designated care giver in accordance with the Protocol unless they have been granted an exception in accordance with the Protocol;

(b) only retain information collected under subsection (a) until the termination of this Order; and

(c) only use the information collected under (a) for the purpose of confirming that the employee, outside service provider, volunteer, visitor and designated care giver is fully vaccinated in accordance with the Protocol.

16.6 Effective October 12, 2021, visitors to the NHTSA and IWK health authorities are required to provide proof of vaccination before entering these facilities.

## **PART V BUSINESSES, ORGANIZATIONS AND PROFESSIONS**

17. Effective 6:00a.m. December 22, 2021, except where otherwise stated in this Order, the restrictions on businesses, organizations and professions apply to all established businesses, organizations and professions carrying on business and operating in Nova Scotia.

17.1 The *Occupational Health and Safety Act*, 1996, c.7, s.1, is hereby incorporated by reference and must be followed by all employers, contractors, constructors, suppliers, owners and employees and each shall take every precaution that is reasonable in the circumstances to ensure the health and safety of all persons at or near a workplace.

17.1.1. Subject to limitations directed elsewhere in this Order, all not-for-profit and for-profit businesses and organizations operating or carrying on business in Nova Scotia may continue to operate but must implement physical distancing of 2 metres (6 feet) within all workplaces and meeting spaces, except where otherwise provided in this Order.

17.1.2 Any not-for-profit or for-profit business or organization carrying on business in Nova Scotia that cannot maintain the physical distancing requirements set out in section 13.1 of this Order must limit the number of customers or clients on its premises to no more than 10 persons at a time.

17.2 All not-for-profit and for-profit businesses and organizations operating or carrying on business in Nova Scotia may not carry out COVID-19 Point of Care Screening Tests (PCTs) unless the business or organization:

(a) has obtained prior approval from the Office of the Chief Medical Officer of Health; and

(b) complies with any direction issued by me, as Chief Medical Officer of Health.

17.3 All not for-profit, for-profit businesses, organizations and professions named shall, as a requirement of their ongoing operations, develop and comply with a Workplace COVID-19 Prevention Plan, as amended from time to time, and this Plan must address the following:

(a) how to work and interact with customers or clients;

(b) cleaning;

(c) equipment;

(d) preparing employees to return to work;

(e) preparing for customers or clients;

(f) monitoring and communicating of plan; and

(g) physical distancing in the workplace.

for similar businesses or health professionals and must be made available for review by the Chief Medical Officer of Health.

17.4 All businesses or regulated health professionals that are a member of an association may adopt their association's Workplace COVID-19 Prevention Plan or their own, which must be made available for review by the Chief Medical Officer of Health.

17.5 In the case of conflict between a Workplace COVID-19 Prevention Plan and this Order, the more stringent provision applies.

17.6 Regulated and unregulated health professionals practicing may continue to practice and provide services within their scope of practice if they have a Workplace COVID-19 Prevention Plan.

17.7 Persons, businesses and organizations that host non-essential events and activities must adhere to the COVID-19 Protocol for Proof of Full Vaccination for Events and Activities, located at: <https://novascotia.ca/coronavirus/docs/COVID-19-Protocol-for-proof-full-vaccination-events-activities-en.pdf>, and must:

- (a) verify proof of full vaccination from each patron/participant before they engage in the activity or event, and each volunteer who hosts, leads or organizes the event or activity unless they have been granted an exception in accordance with the Protocol;
- (b) only retain information collected under subsection (a) if the patron/participant or volunteer provides their consent and destroy it on the earlier of their withdrawal of consent or termination of this Order; and
- (c) only use the information collected under (a) for the purpose of confirming that the patron/participant or volunteer is fully vaccinated prior to engaging in the event or activity in compliance with this Order and may not use it for any other purpose.

17.8 Notwithstanding sections 13.3.1(b) and 17.7, persons, businesses and organizations may host a funeral service without requiring proof of vaccination from attendees if it adheres to the following:

**Please be advised that:**

I, Dr. Robert Strang, Chief Medical Officer of Health, **order** the following:

**PART I  
DEFINITIONS**

1. In this Order,

“Adult Day Program” means a planned program of activities in a professional care setting designed for older adults or persons with disabilities who require supervision during the day, or those who are isolated and lonely. Adult day care centers enable seniors and persons with disabilities to socialize and enjoy planned activities in a group setting, while still receiving needed health services. At the same time, they offer family caregivers respite from caregiving duties while knowing that their loved one is in a safe place.

“enclosed” insofar as a public place means a public place that is surrounded or closed off on one or more sides.

“fully vaccinated” means receipt of 1 dose of a vaccine authorized as a 1 dose vaccine series such as Janssen plus 14 days, or 2 doses of a vaccine authorized as a 2 dose vaccine series such as Pfizer, Moderna or AstraZeneca plus 14 days (mixed series acceptable), a complete series of any other World Health Organization authorized series of COVID-19 vaccine such as Covaxin, Sinopharm or Sinovac plus 14 days, or a single dose of a WHO authorized vaccine and a single dose of a Health Canada authorized vaccine plus 14 days.

“fraudulent proof of vaccination” means the falsification of proof of vaccination documentation that does not comply with the requirements set out in the COVID-19 Protocol for Proof of Full Vaccination for Events and Activities, located at:

<https://novascotia.ca/coronavirus/docs/COVID-19-Protocol-for-proof-full-vaccination-events-activities-en.pdf>.

“health care workers” means individuals who provide health care or support services, such as nurses, physicians, dentists, paramedics, allied health professionals, unregulated healthcare providers, clinical instructors and students, volunteers, and housekeeping staff in health care settings.

“health care settings” means all hospitals as defined by the *Hospitals Act*; long-term care facilities licensed under the *Homes for Special Care Act*; privately-operated care facilities for seniors, along with independent or assisted living services for seniors; health authority as defined in the *Health Authorities Act*; home care agency funded under the *Homemaker Services Act*; privately-operated home care services and agencies; and emergency health services, ambulance services and communications centre as defined in the *Emergency Health Services Act*.

“illegal in-person gathering” means an in-person gathering that does not comply with the gathering restrictions of this Order, including the attendance limits applicable to indoor and outdoor in-person gatherings, proof of full vaccination for non-essential events and activities as set out in the COVID-19 Protocol for Proof of Full Vaccination for Events and Activities, located at: <https://novascotia.ca/coronavirus/docs/COVID-19-Protocol-for-proof-full-vaccination-events-activities-en.pdf>, and masking requirements.

“informal in-person gathering” means a gathering of persons except where hosted by a business or organization.

“mask” means a commercial medical or non-medical mask or a home-made mask made as per the PHAC instructions located at: <https://www.canada.ca/en/public-health/services/diseases/2019-novel-coronavirus-infection/prevention-risks/sew-no-sew-instructions-non-medical-masks-face-coverings.html>, that covers the nose and mouth.

“medical exception” means an exception granted by the Chief Medical Officer of Health or his delegate from the requirement to self-quarantine on entry into Nova Scotia or from the requirement to provide proof of vaccination to participate in events or activities under the COVID-19 Protocol for Proof of Full Vaccination for Events and Activities.

“not fully vaccinated” means no receipt of any vaccine dose or receipt of 1 dose of a vaccine authorized as a 2 dose vaccine series.

“non-essential event or activity” means an event or activity hosted by a person, business or organization that does not require participation in or access to necessities of life such as those set out in the COVID-19 Protocol for Proof of Full Vaccination for Events and Activities, located at: <https://novascotia.ca/coronavirus/docs/COVID-19-Protocol-for-proof-full-vaccination-events-activities-en.pdf>.

“organization” means:

- (a) a public body, body corporate, society, company, firm, partnership, trade union or municipality, or
- (b) an association of persons that:
  - (i) is created for a common purpose,
  - (ii) has an operational structure, and
  - (iii) holds itself out to the public as an association of persons.

“proof of vaccination” means documentation issued by the Government of Canada, a Provincial or Territorial Government or government of another country other than Canada, or their delegate that sets out a person’s vaccination status of being fully vaccinated and includes:

- (a) the person’s name;
- (b) the brand name of vaccine received;
- (c) indication that the person received all required doses for the vaccine;  
and
- (d) the date on which the person received their final vaccine dose.

(ii) must not cease self-quarantine unless they have completed at least 7 days of self-quarantine and they have received a negative COVID-19 test result on day 6 or 7, at which time they may exit self-quarantine but from day 8 to day 14 must exclude themselves from congregate high risk settings, specifically LTC, shelters, acute care facilities (except to receive

essential medical care), and correctional facilities, and further must avoid contact with immunocompromised persons,

(c) persons who are identified as a person diagnosed with COVID-19, or have been tested for COVID-19 due to the presence of symptoms or as directed by public health and are awaiting their test results:

(i) must self-quarantine or self-isolate on the first day of symptoms, testing, diagnosis, and continuing thereafter for 10 consecutive days or as directed by a Medical Officer of Health.

3.2 Those persons required to self-quarantine or self-isolate in accordance with sections 3.1(a), (b) or (c):

(a) must, during their period of self-quarantine or self-isolation, conduct themselves in such a manner as not to in any way expose any other person to infection or potential infection from COVID-19; and

(b) must remain in their residence or residence grounds and otherwise remove themselves from the presence of others in public while they may be infectious during the quarantine or isolation period, so that all precautions necessary to protect others are in place. Specifically, such persons must not enter any buildings, public transportation, or other enclosed spaces (other than their residence) where other people are present; and

(c) must follow all infection control instructions given to them on the Government of Nova Scotia's website, at: <https://novascotia.ca/coronavirus/>, or given to them by Telehealth 811 staff, public health staff or any other staff of a healthcare facility to which they may seek or receive treatment; and

(d) after the mandatory period of self-quarantine or self-isolation period has lapsed, they may cease self-isolation or self-quarantine if they do not exhibit symptoms of COVID-19.

3.3 Notwithstanding:

(a) section 3.1 (c), persons who receive a negative COVID-19 test result after being referred for testing by the online assessment tool due to the presence of COVID-like symptoms may cease self-quarantine on the date of receipt of the negative test result;

(b) sections 3.1 (a), (b) and (c), persons who are required to self-isolate or self-quarantine may leave their residence to undergo COVID-19 testing as directed by a Medical Officer of Health;

(c) sections 3.1 (a) and (b), persons who are required to self-isolate or self-quarantine may leave their residence for 1 outing per day for outdoor exercise within walking/running distance of their home or isolation site for a maximum of 1 hour,

(d) section 3.1(a), persons travelling to or returning to Nova Scotia from a Canadian province or territory must adhere to the following:

(i) persons who are fully vaccinated before arriving in Nova Scotia are not required to self-quarantine on arrival in Nova Scotia;

(ii) persons who are not fully vaccinated before arriving in Nova Scotia must self-quarantine for up to 14 days on arrival in Nova Scotia and must not cease self-quarantine until they have completed at least 7 days of self-quarantine and they have received a negative result from COVID-19 test done on day 6 or 7, at which time they may exit self-quarantine; and

(iii) persons who have had COVID-19, have recovered from it in the last 12 weeks before entering Nova Scotia, have a letter from public health in a Canadian province or territory confirming their date of recovery and are not fully vaccinated must self-quarantine for 7 days on arrival into Nova Scotia but are not required to be tested,

(e) persons travelling to Nova Scotia from outside Canada who are eligible to enter Canada in accordance with the Federal Orders in Council 2021-0904, 2021-0903 and 2021-0902, as amended:

(i) who are fully vaccinated (the “fully vaccinated person” as set out in the Federal Orders in Council 2021-0904, 2021-0903 and 2021-0902) are not required to self-quarantine on arrival in Nova Scotia; and

(ii) who are not fully vaccinated are required to self-quarantine on arrival in Nova Scotia in accordance with Federal Quarantine requirements.

3.4 Effective 8:00a.m. November 17, 2021, persons travelling to or returning to Nova Scotia from a Canadian province or territory who:

(a) become age 12 between September 1, 2021 and November 1, 2021 have until March 1, 2022 to become fully vaccinated and until fully vaccinated, must adhere to the self-quarantine or self-isolation requirements of the least vaccinated person who is age 12 or older in the group of persons that they are travelling with, or if travelling alone, must adhere to the self-quarantine or self-isolation requirements based on their own vaccination status;

(b) become age 12 after November 1, 2021 have until 4 months from their birthday to become fully vaccinated and until fully vaccinated, must adhere to the self-quarantine or self-isolation requirements of the least vaccinated person who is age 12 or older in the group of persons that they are travelling with, or if travelling alone, must adhere to the self-quarantine or self-isolation requirements based on their own vaccination status;

- (g) unlicensed child-care facilities;
- (h) a place designated or established under the authority of the *Correctional Services Act* or the *Youth Criminal Justice Act (Canada)* for the supervision or custody of offenders and includes community-based correctional services;
- (i) any administrative tribunal, arbitration proceeding or court operating essential services in the Province under the authority of any provincial or federal enactment, including but not limited to, a justice centre or courthouse under the authority of the *Judicature Act* or a provincial court under the authority of the *Provincial Court Act* or the *Family Court Act*;
- (ia) notwithstanding clause (i), the Labour Board must still comply with section 13.1 when conducting a vote under the *Trade Union Act*.
- (j) Emergency Medical Care Incorporated;
- (k) persons providing, servicing or repairing medical equipment, such as wheelchairs, red cross beds/equipment, home oxygen equipment;
- (l) private not-for-profit community transportation providers;

(m) food production plants; and

(n) fishing vessels.

14. All persons must wear a mask that covers their nose and mouth:

(a) while present in a public place; and

(b) while travelling on vehicles providing transportation to the public.

14.1 Persons, businesses and organizations must ensure that each person who enters the person's, business's or organization's premises adheres to the masking requirements set out in section 14 while the person is on the person's, business's or organization's premises, unless the person is exempt in accordance with section 14.3.

14.2 For greater certainty,

(a) a person must wear a mask while in a food establishment or liquor licensed establishment in accordance with section 14 except when consuming food or beverages, and must be seated while consuming food or beverages in the food establishment or liquor licensed establishment; and

(b) the owner or operator of a food establishment or liquor licensed establishment must ensure that patrons wear a mask in accordance with section 14 except when consuming food or alcohol, and must further ensure that patrons are seated when consuming food or beverages in the food establishment or liquor licensed establishment.

14.3 Notwithstanding sections 14(a), 14.1 and 14.2, a person is exempt from the requirement to wear a mask in a public place if the person:

(a) is less than 2 years of age or age 2 to 4 years and their caregiver cannot persuade them to wear a mask;

(b) for whom the wearing of a mask is not possible because of the person's medical condition;

(c) is reasonably accommodated by not wearing a mask in accordance with the *Nova Scotia Human Rights Act*;
