## **WILDLIFE COMPENSATION VALUES 2024**

This program compensates **registered Nova Scotia Farms** (Registered under the Nova Scotia Farm Registration Act) who experience damage to specified Agriculture products caused by specific wildlife species. Farmers must notify the Commission as soon as possible and not later than **72 hours** after the damage has occurred. The cause or probable cause of loss or death must be confirmed by the Commission.

## **CROP DAMAGE**

Compensation may be paid for damage to the following eligible crops:

Apple and Pear Trees         \$17 to \$25/ tree           Apples and Pears         farm average           Barley         \$300 tonne           Beets         \$4,250 / acre           Broccoli         \$5,250 / acre           Brussels Sprouts         \$5,150 / acre           Cabbage         \$6,300 / acre           Canola         \$550/ tonne           Carrots         \$5,050 / acre           Cauliflower         \$7,300 / acre           Celery         \$8,500 / acre           Cauliflower         \$7,300 / acre           Celery         \$8,500 / acre           Corn         \$345 / tonne           Early Potatoes         \$5,450 /acre           Egg Plant         \$7,950 / acre           Feall Rye         \$290 / tonne           Feed Wheat (Spring & Winter)         \$290 / tonne           Field Tomatoes         \$6,200 / acre           Fresh Beans         \$3,950 / acre           Grapes         \$2.10 / kg           Green Onions         \$6,800 / acre           Highbush Blueberries         \$2.50 / lb           Kale         \$4,850 / acre           Lowbush Blueberries         \$0.30 / lb           Melons         \$6,100 / acre
