1. In this Order,

(a) “self-isolate” means the requirement of any person who has COVID-19 to remain separate from others in such places and under such conditions to prevent or limit the direct or indirect transmission of COVID-19; and

(b) “self-quarantine” means the requirement of any person who has been exposed or may have been exposed to COVID-19 during its period of communicability to restrict that person’s activities in order to prevent disease transmission during the incubation period for this disease.

2.1 Effective 8:00a.m. April 22, 2021, all persons are prohibited from entering Nova Scotia, except as stated herein or set out elsewhere in this Order:

(a) permanent residents of Nova Scotia, Newfoundland and Labrador, or Prince Edward Island; or

 - (ii) the first day of close contact, or first day of symptoms, testing, diagnosis, and continuing thereafter for 14 consecutive days or as directed by a Medical Officer of Health.

For greater certainty, this includes remaining in your residence or residence grounds and otherwise removing yourself from the presence of others in public while you may be infectious during the 14-day period, so that all precautions necessary to protect others are in place. Specifically, do not enter any buildings, public transportation, or other enclosed spaces (other than your residence) where other people are present.

(b) During the 14-day period, conduct yourself in such a manner as not to in any way expose any other person to infection or potential infection from COVID-19, and follow all infection control instructions given to you on the Government of Nova Scotia's website, at: <https://novascotia.ca/coronavirus/>, or given to you by Telehealth 811 staff, public health staff or any other staff of a healthcare facility to which you may seek or receive treatment.

(c) After the 14-day period in section 2.3.4(a.) has lapsed, you may cease self isolation or self quarantine if you do not exhibit symptoms of COVID-19.

(d) All persons are encouraged to complete the online assessment tool should you exhibit symptoms of COVID-19.
