and the person’s activity in subclauses (i), (ii) or (iii) is compliant with the terms of the Chief Medical Officer of Health’s Public Health Order under the *Health Protection Act*.

- (b) the person is travelling directly to or from their participation in an outdoor physical activity permitted under the terms of the Chief Medical Officer of Health’s Public Health Order under the *Health Protection Act*, if the location for that activity is within the geographic boundary for the county in which their primary residence is physically located, as shown in Schedule “B” attached to this Direction.
- (c) the person is engaged in cross border travel which is authorized by the Chief Medical Officer of Health’s Public Health Order under the *Health Protection Act*.

Please note that this Direction is in addition to any requirements established in a Chief Medical Officer of Health’s Public Health Order under the *Health Protection Act*, and any other Directions issued under the *Emergency Management Act*.

**A failure to comply with this Direction could result in a summary conviction with fines between \$500 to \$10,000 for individuals and up to \$100,000 for a corporation per incident.**

This Direction will remain in place until June 1, 2021 at 8 am unless it is terminated in writing earlier.
