PART I DEFINITIONS

1. In this Order,

“Adult Day Program” means a planned program of activities in a professional care setting designed for older adults or persons with disabilities who require supervision during the day, or those who are isolated and lonely. Adult day care centers enable seniors and persons with disabilities to socialize and enjoy planned activities in a group setting, while still receiving needed health services. At the same time, they offer family caregivers respite from caregiving duties while knowing that their loved one is in a safe place.

“fully vaccinated” means receipt of 1 dose of a vaccine authorized as a 1 dose vaccine series such as Janssen plus 14 days, or 2 doses of a vaccine authorized as a 2 dose vaccine series such as Pfizer, Moderna or AstraZeneca plus 14 days (mixed series acceptable), a complete series of any other World Health Organization authorized series of COVID-19 vaccine such as Covaxin, Sinopharm or Sinovac plus 14 days, or a single dose of a WHO authorized vaccine and a single dose of a Health Canada authorized vaccine plus 14 days.

“health care workers” means individuals who provide health care or support services, such as nurses, physicians, dentists, paramedics, allied health professionals, unregulated healthcare providers, clinical instructors and students, volunteers, and housekeeping staff in health care settings, pharmacists, pharmacy technicians, pharmacy interns and pharmacy students.

“health care settings” means all hospitals as defined by the Hospitals Act; long-term care facilities licensed under the *Homes for Special Care Act*; privately-operated care facilities for seniors, along with independent or assisted living services for seniors; homes licensed by the Minister of Community Services under the *Homes for Special Care Act*; health authority as defined in the *Health Authorities Act*; home care agency funded under the *Homemaker Services Act*; privately-operated home care services and agencies; emergency health services, ambulance services and communications centre

as defined in the *Emergency Health Services Act*; and organizations primarily funded by the Minister of Community Services that provide residential placements and supervision to, including participants of the Disability Support Program (Temporary Shelter Arrangements, Independent Living Support and Supervised Apartments) and Children and youth in the care of the Minister of Community Services under the *Children and Family Services Act*; physicians providing care in the community, including family, pediatricians and other specialists; and pharmacies and pharmacy immunization clinics.
