Before carrying out any work or activity in the offshore area, an operator must first obtain an Operating Licence.

No activities related to the exploration for, development of or transportation of petroleum on the Lands can be conducted without a specific authorization issued by the Board. Operators are required to meet certain regulatory requirements before the Board can approve offshore petroleum-related activities. The regulatory framework which governs offshore petroleum operations consists of the Accord Acts, its regulations, and Board guidelines and policies.

Canada-Nova Scotia Benefits Plan

The Legislation requires that a Canada-Nova Scotia Benefits Plan must be submitted to, and approved by, the Board prior to the approval of any development plan, or the authorization of any other work or activity in the Nova Scotia Offshore Area. Canada-Nova Scotia Benefits Plan Guidelines can be found on the Board’s website.

Environment

In accordance with the Legislation, prior to the authorization of any petroleum-related activities on the Lands, the operator must demonstrate to the satisfaction of the Board that such activities can be conducted in an environmentally safe manner. Special precautions, such as enhanced environmental assessments, more stringent mitigation measures and environmental effects monitoring may be required in some cases.

Upon issuance of the Exploration Licence, the successful bidder must pay ESRF levies under Part VII of the Canada Petroleum Resources Act, R.S.C. 1985, c. 36 (2nd Supp.), for the year in which the licence is issued and retroactive levies for the two preceding years. Thereafter, ESRF levies as fixed from time to time by the federal Minister of Natural Resources will be payable unless the Interest Owner surrenders the licence prior to the payment due date.

ESRF matters are not administered by the Board, but are the responsibility of the federal Minister of Natural Resources. ESRF levies are determined by multiplying the number of hectares of land included in the licence by the ESRF rate for the applicable region.

Term

The term of each Exploration Licence will be nine (9) years, consisting of two (2) consecutive periods referred to as Period 1 and Period 2.

Period 2 immediately follows Period 1 and consists of the balance of the nine (9) year term of the licence. In order to validate the licence for Period 2, the drilling of a validation well must be commenced within Period 1 and diligently pursued to termination in accordance with good oilfield practice.

Work Deposit

The successful bidder will be required to post security for the performance of work. The amount of the required security will be 25% of its Work Expenditure Bid. The successful bidder must post this Work Deposit within thirty (30) days of being notified that its bid was successful, as a condition of issuance of the Exploration Licence.

This Work Deposit is refundable to the extent of 25% of approved Allowable Expenditures, as more particularly described in the form of Exploration Licence.

Work Deposits must be in the form of a bank draft, money order, certified cheque, promissory notes, or an irrevocable standby letter of credit payable on demand to the Receiver General for Canada. A promissory note must be accompanied by a bank letter of guarantee issued by a Canadian chartered bank which states their agreement to honour on presentment for payment. A bank draft, money order, certified cheque or letter of credit must be issued by a bank found in Schedule I or II of the Bank Act (S.C. 1991, c. 46). The form of the promissory note and bank guarantee, or the letter of credit, must be acceptable to the Board. An acceptable form of a promissory note and bank guarantee and of a letter of credit, are attached as Appendix V in Call for Bids.

The interest owner is not obligated to perform work under the Licence. However, if the interest owner does not perform work in the full amount of its Work Expenditure Bid, the unrefunded balance of the Work Deposit will be forfeited to the Receiver General for Canada upon the expiry, surrender or cancellation of Period 1.

Rentals

No rentals are payable in respect of Period 1. Refundable rentals are payable annually during Period 2 at the following rates:

Year	Amount per Hectare
7	\$2.50
8	\$5.00
9	\$7.50

Rentals will be refunded upon annual application to the Board to the extent of approved Allowable Expenditures incurred during the specific year of Period 2 as described in the form of Exploration Licence. The form of Exploration Licence is attached as Appendix III in the Call for Bids.

Indemnity

Interest Holders are required to at all times jointly and severally indemnify the Board and Her Majesty the Queen in right of Canada and in right of the Province of Nova Scotia against all actions, claims and demands that may be brought or made by any person by reason of anything done or omitted to be done under this Licence by, through or under the interest owner or an interest holder, in relation to those portions of the Lands with respect to which they hold shares, and all costs that the Board or Her Majesty the Queen may incur in connection with any such action, claim or demand.

For purposes of this section, the expression "Her Majesty the Queen" shall not include any Crown corporation.
