**ORDER made pursuant to Section 32 of the *Health Protection Act* (Nova Scotia)**

**WHEREAS** Section 32 of the *Health Protection Act* states:

**32 (1)** Where a medical officer is of the opinion, upon reasonable and probable grounds, that:

- (a) a communicable disease exists or may exist or that there is an immediate risk of an outbreak of a communicable disease;
- (b) the communicable disease presents a risk to the public health; and
- (c) the requirements specified in the order are necessary in order to decrease or eliminate the risk to the public health presented by the communicable disease,

the medical officer may by written order require a person to take or to refrain from taking any action that is specified in the order in respect of a communicable disease.

**WHEREAS** COVID-19 has been identified as a communicable disease that presents a risk to public health as defined under s.4(b) of the *Health Protection Act*, and;

**WHEREAS** I am the Chief Medical Officer of Health for the Province of Nova Scotia and am of the opinion, upon reasonable and probable grounds, that

(a) a communicable disease (COVID-19) exists; and that there is an immediate risk of an outbreak of the communicable disease;

(b) the communicable disease presents a risk to the public health; and

(c) the requirements specified in the order are necessary to decrease or eliminate the risk to the public health presented by the communicable disease, and;

**WHEREAS** as the Chief Medical Officer of Health, I have determined it necessary to issue this Order to the Class of Persons to decrease the risk to public health presented by COVID-19.

**Please be advised that:**

I, Dr. Robert Strang, Chief Medical Officer of Health, **order** the following:

## **PART I DEFINITIONS**

1. In this Order,

“Adult Day Program” means a planned program of activities in a professional care setting designed for older adults or persons with disabilities who require supervision during the day, or those who are isolated and lonely. Adult day care centers enable seniors and persons with disabilities to socialize and enjoy planned activities in a group setting, while still receiving needed health services. At the same time, they offer family caregivers respite from caregiving duties while knowing that their loved one is in a safe place.

“before and after school program means a program that:

(a) provides before and after school care for children in pre-primary to Grade 6;

(b) operates onsite in schools, or offsite in community or private facilities with children being transported to and/or from school by either school bus or transportation provided by the organization;

(c) begins before the core school day starts in the morning and/or directly after the core school day ends, until at least 5:00 p.m., and is normally offered 5 days per week for the entirety of the school year; and

(d) is operated or contracted by a regional centre for education (RCE), the Conseil scolaire acadien provincial (CSAP), school, community, or private organization.

“enclosed” insofar as a public place means a public place that is surrounded or closed off on one or more sides.

“fully vaccinated” means receipt of 1 dose of a vaccine authorized as a 1 dose vaccine series such as Janssen plus 14 days, or 2 doses of a vaccine authorized as a 2 dose vaccine series such as Pfizer, Moderna or AstraZeneca plus 14 days (mixed series acceptable), a complete series of any other World Health Organization authorized series of COVID-19 vaccine such as Covaxin, Sinopharm or Sinovac plus 14 days, or a single dose of a WHO authorized vaccine and a single dose of a Health Canada authorized vaccine plus 14 days.

“fraudulent proof of vaccination” means the falsification of proof of vaccination documentation that does not comply with the requirements set out in the COVID-19 Protocol for Proof of Full Vaccination for Events and Activities, located at: <https://novascotia.ca/coronavirus/docs/COVID-19-Protocol-for-proof-full-vaccination-events-activities-en.pdf>.

“health care workers” means individuals who provide health care or support services, such as nurses, physicians, dentists, paramedics, allied health professionals, unregulated healthcare providers, clinical instructors and students, volunteers, and housekeeping staff in health care settings, pharmacists, pharmacy technicians, pharmacy interns and pharmacy students.

“health care settings” means all hospitals as defined by the Hospitals Act; long-term care facilities licensed under the Homes for Special Care Act; privately-operated care facilities for seniors, along with independent or assisted living services for seniors; homes licensed by the Minister of Community Services under the Homes for Special Care Act; health authority as defined in the Health Authorities Act; home care agency funded under the Homemaker Services Act; privately-operated home care services and agencies; emergency health services, ambulance services and communications centre as defined in the Emergency Health Services Act; and organizations primarily funded by the Minister of Community Services that provide residential placements and supervision to, including participants of the Disability Support Program (Temporary Shelter Arrangements, Independent Living Support and Supervised Apartments) and Children

and youth in the care of the Minister of Community Services under the Children and Family Services Act; physicians providing care in the community, including family, pediatricians and other specialists; and pharmacies and pharmacy immunization clinics.

“household contact” means an individual who has been exposed to a person diagnosed with COVID-19 and was living in the same household as the diagnosed person during the diagnosed person’s infectious period, regardless of their ability to effectively isolate away from the diagnosed person.
