Prescribed Petroleum Products Prices

Order dated January 17, 2023
made by the Nova Scotia Utility and Review Board
pursuant to Section 14 of the *Petroleum Products Pricing Act*
and Sections 16 to 19 of the *Petroleum Products Pricing Regulations*

Decision and Order**M10963**

In the matter of prescribing prices for petroleum products
under Section 14 of the *Petroleum Products Pricing Act* and
Sections 16 to 19 of the *Petroleum Products Pricing Regulations*

Before: Julia E. Clark, LL.B., Member**Decision and Order**

Under S. 16 of the *Petroleum Products Pricing Regulations*, the Board must prescribe a benchmark price for specified petroleum products every Friday. However, the Board may prescribe a benchmark price any time, and due to significant changes in the price of petroleum products, the Board has determined that it is appropriate to adjust its most recently prescribed weekly prices.

The benchmark price prescribed by the Board is the average of the average of the daily high and low reported product prices (in Canadian cents) since the last benchmark price adjustment for the petroleum product.

The Board must also prescribe retail mark-ups and calculate wholesale margins considering any factors the Board finds relevant, including transportation adjustments. The Board last set wholesale margins in its decision, 2021 NSUARB 146; retail mark-ups in its decision, 2021 NSUARB 50; and transportation adjustments in its decision, 2016 NSUARB 168.

The Board also issued an Order on September 12, 2022 (2022 NSUARB 140), approving an adjustment mechanism to retail mark-ups for gasoline and diesel oil to account for the impact of credit card fees charged to retailers.

At each price setting, the Board may apply a forward-averaging correction, based on historical prices, to achieve revenue neutrality.

At appropriate times of the year, the Board may also require an additional margin for winter blending of ultra-low-sulfur diesel oil.

Based on the foregoing and other requirements in the *Petroleum Products Pricing Act* and regulations, the Board finds it appropriate to prescribe the benchmark prices and adjustments in Table “A,” the credit card fee retail mark-up adjustments in Table “B,” and the prices for petroleum products in Schedule “A” effective on and after 12:01 A.M. January 18, 2023:

ATTORNEY GENERAL ORDER**Pursuant to Section 4 of Chapter 393 of
the Revised Statutes of Nova Scotia, 1989,
the *Regulations Act***

Whereas subsection 4(3) of the *Regulations Act* allows the Attorney General, on the recommendation of the Registrar of Regulations, to order the dispensation of the publication of a regulation in prescribed circumstances;

And Whereas the Municipal Planning Strategy and Land Use By-law Amendment Order Applicable to the Port Wallace Special Planning Area is of such length and complexity to render publication in the *Royal Gazette* unpractical;

And Whereas the Acting Registrar of Regulations has recommended dispensing with the publication of the Municipal Planning Strategy and Land Use By-law Amendment Order Applicable to the Port Wallace Special Planning Area in the *Royal Gazette Part II*;

Therefore I Hereby Order the dispensation of the publication in the *Royal Gazette Part II* of the Municipal Planning Strategy and Land Use By-law Amendment Order Applicable to the Port Wallace Special Planning Area made under the *Housing in the Halifax Regional Municipality Act* by the Minister of Municipal Affairs and Housing dated January 19, 2023.

This Order is effective on and after the date it is made.

Dated this 8th day of February, 2023.
