## Registration of Undertaking for Environmental Assessment ENVIRONMENT ACT

This is to advise that on May 1, 2020, General Liquids Canada registered a Liquid Asphalt Storage Facility for environmental assessment, in accordance with Part IV of the Environment Act.

The purpose of the proposed undertaking is to operate a facility that will be used for transferring, storing and preparing for the shipment of asphalt cement. The undertaking is at a commercial/industrial property, located at 750 Pleasant Street in Dartmouth, Nova Scotia. It is anticipated that construction will commence in August 2020, and operations will begin in September/October 2020.

Digital Copies of the environmental assessment registration information may be examined at the EA website (when available) <https://www.novascotia.ca/nse/ea/>

The public is invited to submit written comments to:
