

# NOTICE

## Registration of Undertaking for Environmental Assessment ENVIRONMENT ACT

This is to advise that on April 8, 2021, Envirosoil Limited registered a Waste Oil Recycling and Water Treatment Facility for environmental assessment, in accordance with Part IV of the Environment Act.

The purpose of the proposed undertaking is to install and operate a facility that will be used for receiving, processing and recycling of waste oil and the treatment of waste waters. The origin of the waste oil and waste water will be primarily from commercial sources. Treated water will be discharged to the Halifax Regional Municipal sanitary sewer system and collected oil will be sent to approved facilities for reuse. The undertaking is at a commercial/industrial property at 750 Pleasant Street, Dartmouth, Nova Scotia. The installation of processing and treatment equipment is anticipated to commence in summer 2021 with commissioning and operation planned for the fall of 2021.

Copies of the Environmental Assessment registration information may be examined at the following locations:

- Nova Scotia Environment, 30 Damascus Rd, Suite 115, Bedford, NS B4A 0C1
- EA website (when available) <http://www.gov.ns.ca/nse/ea>

The public is invited to submit written comments to:

Environmental Assessment Branch  
Nova Scotia Environment  
P.O. Box 442, Halifax, NS, B3J 2P8

on or before May 8, 2021 or contact the department (902) 424-3600, (902) 424-6925 (Fax), or e-mail at [EA@novascotia.ca](mailto:EA@novascotia.ca).

All comments received from the public consultation will be posted on the department's website for public viewing. In the case of an individual, the address, email and contact information will be removed before being placed on the website. By submitting your comments, you are consenting to the posting of your comments on the department's website.
