Ken MacLean/Harold Johnson, Vice Presidents  
Envirosoil Limited, Municipal Group of Companies  
927 Rocky Lake Dr.  
Bedford, NS B4A 3Z2

Dear Mr. MacLean and Mr. Johnson:

RE: **Environmental Assessment – Envirosoil Limited – Waste Oil Recycling and Water Treatment Facility  
- Dartmouth, Nova Scotia**

The environmental assessment of the proposed Waste Oil Recycling and Water Treatment Facility in Dartmouth, Nova Scotia has been completed.

This is to advise that I have approved the above project in accordance with Section 40 of the Nova Scotia *Environment Act*, S.N.S., 1994-95 and subsection 13(1)(b) of the Environmental Assessment Regulations, N.S. Reg. 348/2008, made under the Act. Following a review of the information provided by Envirosoil Limited, and the information provided by the government, the Mi'kmaq of Nova Scotia, and the public during consultation on the environmental assessment, I am satisfied that any adverse effects or significant environmental effects of the undertaking can be adequately mitigated through compliance with the attached terms and conditions, including conditions related to wastewater management and monitoring and the information to support the determination of regulatory discharge limits. Please note that prior to commencement of work, Envirosoil Limited is required to submit an application for Industrial Approval under the Act, which includes addressing a number of conditions identified in the attached terms and conditions.

If you have any questions regarding the approval of this project, please contact Helen MacPhail, Supervisor, Environmental Assessment Branch, at (902) 483-2696 or via email [Helen.MacPhail@novascotia.ca](mailto:Helen.MacPhail@novascotia.ca).

Sincerely,

Tim Halman, MLA  
Minister of Environment and Climate Change

Encl.
