## Registration of Undertaking for Environmental Assessment ENVIRONMENT ACT

This is to advise that on December 22, 2022, Natural Forces Developments Limited Partnership (the Proponent) registered an Addendum to the Westchester Wind Project (the Project) in accordance with Part IV of the Environment Act in response to a request for additional information from Nova Scotia Environment & Climate Change dated April 14, 2022.

Natural Forces Developments LP is developing and will own and operate the Project in partnership with Wskijnu'k Mtmo'taquow Agency Limited, a corporate body wholly owned by the 13 Mi'kmaw bands in Nova Scotia. The purpose of the proposed undertaking is to construct up to 12 wind turbines for a wind energy project located in Cumberland County, approximately 17 km southeast of Oxford, NS. The Project will produce up to 50 MW of renewable energy from wind turbines that are up to 200 m tall to the tip of the blade and individually produce up to 6.2 MW. Construction would start in the winter of 2023 at the earliest. The Project is expected to be operational for a minimum of 25 years starting in 2025.

Copies of the environmental assessment registration information may be examined at the following locations:
