## Registration of Undertaking for Environmental Assessment ENVIRONMENT ACT

This is to advise that on November 8, 2012, Gallant Aggregates Limited registered a Sand and Gravel Pit Extension for environmental assessment, in accordance with Part IV of the Environment Act.

The purpose of the proposed undertaking is to include the extraction of sand and gravel material from an extension to an existing permitted pit in Cooks Brook, Nova Scotia. The currently permitted pit is proposed to be extended in an easterly direction onto Gallant owned land to complete extraction and reclamation of the site. The project is scheduled to commence in April 2013.

Copies of the environmental assessment registration information may be examined at the following locations:

- Natural Resources Education Centre, 12014 Highway 224, Middle Musquodoboit, NS
