Hi Helen, yes - that's the one. CB&I were the authors I believe.
Thanks
Allison

Hi Allison,

Are you referring to the noise dispersion modeling study, mentioned in Section 10.5.2.2 of the EA report? Thanks.

Helen

Hi Steve - I'm reviewing this project and have a question about one of the technical studies - do you have a copy of the noise assessment conducted by CB&I? I couldn't find it on the provincial EA registration website.

Thanks

Allison
