Registration of Undertaking for Environmental Assessment ENVIRONMENT ACT

This is to advise on November 2, 2016, Dexter Construction Company Limited registered the Loch Katrine Quarry Expansion Project for environmental assessment, in accordance with Part IV of the Environment Act.

The purpose of the proposed undertaking is to expand the existing quarry located at 140 Highway 316 in Loch Katrine, Guysborough County, Nova Scotia. It is noted that the existing quarry has been in operation since 1995. The land associated with the expanded quarry will occupy a maximum of 27.3 hectares, which includes the existing quarry footprint. The project life of up to 40 years is expected. The expanded quarry will support continued extraction and production of aggregate of approximately 50,000 tonnes/year, for use primarily in the road construction industry in Antigonish and Guysborough Counties. It is intended that the ongoing use of the quarry will be identical, or very similar, to what has taken place at the site since its inception.

Copies of the environmental assessment registration information may be examined at the following locations:

- Municipality of the County of Antigonish Office, 285 Beech Hill Road, Antigonish, NS
- St. Andrews Post Office, 3906 Highway 316, St. Andrews, NS
