

PICTOU COUNTY NATURAL GAS PIPELINE OPEN HOUSE THURSDAY, JUNE 20, 3:00 TO 7:00 PM

**Location: Pictou County Wellness Centre
2756 Westville Road at Exit 23 of Hwy 104**

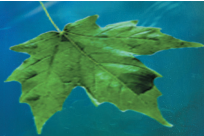

Please drop in to learn more about our planned construction of a 19km natural gas pipeline from West River East Side Road to Abercrombie Point in 2013 with a potential extension to New Glasgow, Stellarton and Trenton in 2014 and beyond.

Representatives of Heritage Gas will be on hand to discuss:

- **Planning, construction and operation of a natural gas steel pipeline**
- **Environmental protection planning and associated regulatory approvals**
- **Timelines associated with construction and operation**

We look forward to discussing this project with you and hearing any of your comments.

In 2012 alone, Heritage Gas customers saved more than \$77 million and reduced emissions by over 160,000 tonnes. The company has over 20,000 homes and businesses throughout Nova Scotia using natural gas.
