

NOTICE

Registration of Undertaking for Environmental Assessment ENVIRONMENT ACT

This is to advise that on *December 5th, 2003*, *Nova Scotia Power Incorporated (NSPI)* registered a *Marine Terminal* for environmental assessment, in accordance with Part IV of the Environment Act.

The purpose of the proposed undertaking is to build and operate a Marine Terminal at the NSPI Point Tupper Generating Station located at Point Tupper, Nova Scotia. NSPI is partnering with Logistec Stevedoring Atlantic Incorporated to build and operate this terminal. This terminal will be utilized as the primary coal terminal for the Point Tupper and Trenton Generating Stations. Project construction is planned to begin in March 2004 with operation starting in March 2005.

Copies of the environmental assessment registration information may be examined at the following locations:

- C *Rural Cape Breton District Planning Commission, 32 Paint Street, Port Hawkesbury, NS*
