

## **Stave Lake Addition**

**COUNTY:** Shelburne

**WILDERNESS AREA:** Tobeatic

**SIZE:** 42.0 hectares (103.8 acres)

**PID:** 80154990

---

### **DESCRIPTION**

- This addition was acquired from a local landowner in 2010 for addition to Tobeatic Wilderness Area, and includes a small, unnamed, 3.8 hectare lake.
- Forest in this area is dominated by mature to old red spruce, eastern hemlock and white pine, along with some red maple and red oak.
- The addition includes over 300 m of shoreline on Upper Stave Lake, and 900 m of shoreline around the small, unnamed lake.
- Adding these lands to Tobeatic Wilderness Area will protect the exceptional, older forest of this area, as well as other natural features.
