

Age Tax Credit

The Age Tax Credit reduces eligible applicants' personal income taxes by:

- \$1000 for 2014 and subsequent years

Eligibility

To receive the credit you must meet the following requirements of the taxation year:

- you must be a resident of Nova Scotia on December 31;
- you must attain the age of sixty-five years on or before December 31; and
- your taxable income from line 26000 of your return must be less than \$24,000.

How to Apply

Eligible individuals can claim the tax credit in Part C of the NS 428 Form.

For More Information

The CRA can answer your personal income tax questions for both federal and provincial income tax systems.
