- Determine gross weight in kilograms you are registering the vehicle.
 - Locate the gross weight in kilograms in Column A. If the exact gross weight is not shown, use the next higher registered weight that is shown.
 - Select the number of registration months you wish to purchase. (Note: minimum 3 months)
 - The fee required for the registration period selected is located by drawing a line from the weight Column A, across to the numbers of registration months purchased.
- Note:** Fee for registration periods of 11 months or less includes a \$13.20 administration charge.
