

Consumer Application for Your Energy Rebate

Application Information/Instructions

- Your Energy Rebate applies only to the provincial portion of the HST that you paid when purchasing home energy products. The rebate is limited to the amount of provincial portion of HST paid.
- Your Energy Rebate does not include delivery, equipment maintenance, repair or emergency service call costs or similar charges or costs.
- Please complete the entire form. An incomplete application may result in the form being returned, thereby causing a delay in processing the claim.
- You must submit all invoices and/or receipts to be included in your claim. **Invoices and/or receipts issued in the name of a person other than the applicant will not be accepted.**
- Receipts or invoices must show the following information:

HST # of the Supplier	HST Paid
Date of Purchase	Energy Type Purchased (e.g. wood, wood pellets, kerosene, propane, etc.)
- Only the applicant may communicate with Service Nova Scotia in respect to this application unless an authorized representative is appointed in Section C.
- Once received, if the application meets all requirements, applicants should receive payment within 4-6 weeks.
- Claims must total \$30.00 or cover a period of 12 or more months.
- An application for the rebate must be received by Service Nova Scotia within **24 months** from the date of purchase of the energy resource.
- Applicants must submit a separate application for each residential property.
- Additional applications are available online at: <http://novascotia.ca/snsmr/pdf/ans-yerp-consumer-application.pdf> or by calling 902-424-5200 or 1-800-670-4357, toll free or from all Access NS/Registry of Motor Vehicles Offices.
